14. These papers relate to the construction of
Avaru
Sri. Kempucheluvajammani Hospital for women and
children, Malleswaram, Bangalore, of which the
foundation stone was graciously laid by His Highness
the Maharaja on the 8th November 1946. The original
cost of acquiring the land and the properties situated
on a part or parts thereof was Rs. 58,929/- as per
the Government Order passed on the 16th April 1946.
But as this was not sufficient for the purpose, an
award of Rs. 1,78,066-6-4 was fixed subsequently for
the land and the property to be acquired. A sanction
was accorded for the enhanced award, the expenditure
being met out of the savings under "24 Civil works",
and this was passed by the Government Order dated
the 25th April 1947 and money paid accordingly.
Regarding construction of the building, administra-
tive sanction was accorded to an estimate amounting
to Rs. 1,71,000/-. The existing Maternity Home was
proposed to be expanded as per the approved plan.
The cost for this was to be met partly from the
donations collected by the Hospital Committee and
the balance, if any, from the Government's contribu-
tion. Subsequent to this, somehow or other, estimate
went up to Rs. 5,55,000/-, thus resulting in an excess
of Rs. 3,84,000/-. It was never expected originally
that the cost would go to Rs. 5 or 6 Lakhs, nor was
any sanction given for an expenditure amounting to

that figure. This seems to be due, among other things,

to the Chief Medical Officer's proposal to make cer-

tain additions to the building. Anyway, an order has

been passed to the effect that the construction of the

building should confine itself to Rs. 1,71,000/-. In

this connection, it is to be observed that a sum of

Rs. 1,15,000/- has been collected and credited to the

Government by the Hospital Committee at the time of

laying the foundation stone itself and that further

amounts are likely to be collected. In the circum-

stances, as the people of the locality are insisting

for opening the building as early as possible, and

that the need of the people of Malleswaram in the

matter of medical aid seems to be real, the work for

constructing the hospital should be taken on hand very

early. During the course of my inspection of the site,

I found that excepting about two small houses, i.e.,

Sl. Nos. 7 and 8 of the Statement, belonging to Messrs.

Muniratnam and K. Rajagopal Naidu, the whole land has

been acquired. As these two Serial Numbers are not

very necessary for our purposes, these may be left over.

Extract from the Proceedings of the Meeting of the
Council of Ministers held at Bangalore on 9th July, ... 1948.

SUBJECT:-

Acquisition of lands and construction
of buildings for the Malleswaram Maternity
Hospital.

OPINION OF THE COUNCIL.

The lands acquired may be reserved for such
purposes as the Government may decide upon. The building
of the Maternity Hospital on the basis of the original plan
as sanctioned in G.O. No.M.2798-800/Med. 80-45-41 dated
12th September, 1946, may be proceeded with.

ADDRESS PRESENTED TO

HIS HIGHNESS

SRI JAYA CHAMARAJENDRA WADIYAR BAHADUR
G.C.B., G.C.S.I.

MAHARAJA OF MYSORE

ON THE OCCASION OF THE LAYING OF THE FOUNDATION-STONE OF THE

SRI KEMPUCHELUVAJAMMANIAVARU HOSPITAL
FOR WOMEN AND CHILDREN

MALLESWARAM, BANGALORE

on Friday, the 8th November 1945, at 9-30 a.m.

To

His Highness

Sri Jaya Chamarajendra Wadiyar Bahadur

Maharaja of Mysore

G.C.B., G.C.S.I.

May It Please Your Highness,

WE, the President and Members of the Malleswaram Maternity Hospital Committee, deem it a unique privilege to offer Your Highness a most loyal and respectful welcome on the occasion of Your Highness' first visit to this part of Bangalore City. We are deeply

indebted to Your Highness for graciously consenting to lay the Foundation-Stone of this Hospital which has been graciously permitted to be named after Your Highness' revered mother whose keen and abiding interest in the welfare of women and children of our State is well known. We beg leave of Your Highness to express on this occasion our joy on the birth of Rajakumari Gayitri Devi. We pray that the Almighty may shower His choicest blessings on the Princess.

There is at present in Bangalore City only one Hospital,

which bears the name of Your Highness' grandmother of revered memory, for the treatment of the ailments of women and children. The Vani Vilas Hospital is now very much overcrowded and is unable to meet the ever-increasing demands of the suffering women and children. Moreover, situated, as the present Institution is in the southern part of the City, the residents of other parts of Bangalore, particularly of the Northern Extensions, have been feeling considerable difficulty in availing themselves of the facilities provided by this Hospital. Malleswaram, with

its adjoining suburbs of Srirampuram, Guttahalli and Seshadripuram, claims a population of over 100,000 and when the projected Industrial Suburbs come into being, a substantial addition to the population may be reasonably expected. The citizens of Malleswaram realised the need for a second Hospital for Women and Children in the City which would meet the needs of the Northern Extensions and also of the thickly populated villages closeby. Inspired by this urge, the residents of Malleswaram, at a Public Meeting convened on 26th July 1945,

formed a Committee to take steps to move Your Highness' Government for opening a Hospital for Women and Children at Malleswaram. A nucleus was already present in the shape of a Maternity Home, donated by that generous and public-spirited resident of Malleswaram Mr. B. Appiah Naidu, which was being managed by the Bangalore City Municipality. The Committee decided to approach the Government to take over this Institution and enlarge it into a fully equipped modern Hospital for Women and Children, and to collect donations from the

public for being placed at the disposal of Your Highness' Government to meet a portion of the cost of the new buildings for this Hospital. It is gratifying that the appeal of the Committee for funds has met with a generous response. We have so far been able to get a total promise of donation of over Rupees a Lakh and Thirty Thousand, out of which we have already deposited Rupees One Lakh and Fifteen Thousand with Your Highness' Government. We beg Your Highness' leave to mention the names of the principal donors.

Mrs. Dwaraka Bai Vedantam	..	..	..	..	..	1,000
Other Donations	..	..	..	..	..	7,000

Further, we expect more donations to the Building Fund from other philanthropically minded fellow-citizens.

We are happy to say that our request to Your Highness' Government for starting a Hospital here met with a very sympathetic and ready response. We are grateful to the Minister for Public Health and Education, Diwan Bahadur Dr. T. C. M. Royan, who took a personal interest from the very commencement in the furtherance

of this scheme. His advice and guidance have been a source of inspiration and encouragement to us. We are also grateful to Your Highness' Minister for Home, Rajakaryaprasakta M. Seshadri, a distinguished resident of our Extension, who has always associated himself with the work of our Committee in achieving this noble object of providing medical facilities for women and children. Our grateful thanks are also due to the Chief Lady Medical Officer, Sastravaidyapravine Dr. (Miss) M. C. Albuquerque, who has helped the Committee from the

commencement in realising this object and to the Bangalore City Municipality who agreed to transfer the management of the existing Maternity Home to the Government.

•

In the Hospital, the Foundation-Stone of which Your Highness is about to lay, it is proposed to provide eighty beds for women and twenty for children. We have no doubt that very soon the accommodation will have to be enlarged. We trust that with the continued

sympathy and support of Your Highness' Government, this Hospital will grow into one of the premier Institutions in the City for the relief of the suffering of women and children.

We are deeply grateful to Your Highness for graciously affording this opportunity to the citizens of this part of Bangalore City to demonstrate their profound sense of loyalty and devotion to Your Highness and Your Highness' Royal House. We now humbly request

that Your Highness may be graciously pleased to perform the auspicious ceremony of laying the Foundation-Stone of the “Sri Kempucheluvajammanniavaru Hospital for Women and Children”.

We beg to remain,
Your Highness' most humble and loyal subjects,

BANGALORE,
8th November 1946. }

The President and Members of
The Malleswaram Maternity Hospital Committee.

THE BANGALORE PRESS
MYSORE ROAD
BANGALORE CITY

*Final note by the Minister for Public
Health and Excise.*

SUBJECT: Acquisition of lands and construction of
 buildings for the Malleswaram Maternity
 Hospital

9 36 Government in their Order No.M.11951-3/Med.80-45-24, dated
the 16th April 1946, sanctioned the acquisition of properties in
Survey No.19, Jakkasandra Village, Bangalore North Taluk, at a
total cost of Rs.58,929. At the time of actual award, it was
found that the award would go up to Rs.1,78,066-6-4. The Deputy
Commissioner, Bangalore District, recommended this award and the
J same was sanctioned in Government Order No.M.12351-55/Med.176-
46-2, dated the 26th April 1947.

K 37. Meanwhile administrative sanction was also accorded in
Government Order No.M.2798-800/Med.80-45-41, dated the 12th Sep-
tember 1946, for the construction of Maternity Hospital Building
at Malleswaram at an estimated cost of Rs.1,71,000.

L 38. The Chief Engineer for Roads and Buildings in his letter
dated the 25th October 1947, while forwarding an estimate amount-
ing to Rs.1,78,066 for the acquisition of properties referred to
above, stated that the award Bill was passed for payment by the
Executive Engineer, Buildings Division, Bangalore, on the 12th
May 1947 and the estimate has been scrutinised by the Auditor,
Public Works Department. The question of allotting funds during
1947-48 does not arise, as the bill was passed for payment last
year alone and requested sanction to the estimate under "24 Civil
Works - Civil Buildings - Original Major".

39 As per the instructions of the Dewan, the Municipal Commis-
sioner was requested to intimate as to whether awards in all cases
had been made to the parties concerned and properties taken
possession of. A statement of award made and yet to be made and
the extent of properties yet to be taken charge of was also called
for. He was further instructed to defer further payments in this
behalf.

N
M
40. The Municipal Commissioner while forwarding a statement referred to above has stated that award, were made to the extent of Rs.1,73,301-14-4 in respect of all the properties and possession taken, except the properties of Messrs. Muniratnam and K. Rajagopal Naidu (which were estimated to cost Rs.4,764-8-0) as they are protesting to hand over the possession of their portions.

41. When the papers were submitted to the Dewan. he minuted as under:-

"I shall be thankful if the Minister will kindly visit this area and find out whether there are any buildings. What is meant by our having taken possession? Have we destroyed any structures on the land so taken possession of?"

"I wish to bring this subject up at the Council meeting on Tuesday 27th".

When the papers came before me, I minuted as under:-

"These papers relate to the construction of Sri Kempucheluvajammanniavar Hospital for women and children, Malleswaram, Bangalore, of which the foundation stone was graciously laid by His Highness the Maharaja on the 8th November 1946. The original cost of acquiring the land and the properties situated on a part or parts thereof was Rs.58,929 as per the Government Order passed on the 16th April 1946. But as this was not sufficient for the purpose, an award of Rs.1,73,066-6-4 was fixed subsequently for the land and property to be acquired. A sanction was accorded for the enhanced award, the expenditure being met out of the savings under "24 Civil Works" and this was passed by the Government Order dated the 25th April 1947 and money paid accordingly. Regarding construction of the building, administrative

Para 12
of 18015

Para 14 of
Nalis

sanction was accorded to an estimate amounting to Rs.1,71,000. The existing Maternity Home was proposed to be expanded as per the approved plan. The cost for this was to be met partly from the donations collected by the Hospital Committee and the balance, if any, from the Government's contribution. Subsequent to this, somehow or other, estimate went up to Rs.5,55,000 thus resulting in an excess of Rs.3,84,000. It was never expected originally that the cost would go to Rs. five and six lakhs, nor was any sanction given for an expenditure amounting to that figure. This seems to be due, among other things, to the Chief Medical Officer's proposal to make certain additions to the building. Any way, an order has been passed to the effect that the construction of the building should confine itself to Rs.1,71,000. In this connection, it is to be observed that a sum of Rs.1,15,000 has been collected and credited to the Government by the Hospital Committee at the time of laying the foundation stone itself and that further amounts are likely to be collected. In the circumstances, as the people of the locality are insisting for opening the building as early as possible, and that the need of the people of Malleswaram in the matter of medical aid seems to be real, the work for constructing the hospital should be taken on hand very early. During the course of my inspection of the site, I found that excepting about two small houses, i.e., Sl.Nos.7 & 8 of the Statement belonging to Messrs.Munirathnam and K.Rajagopal Naidu, the whole land has been acquired. As these two serial numbers are not very necessary for our purposes, these may be left out."

The question was considered at a meeting of the Council held on 9th July 1948 and the following opinion was recorded:-

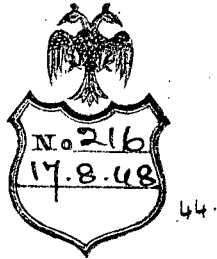

"The lands acquired may be reserved for such purposes as Government may decide upon. The building of the Maternity Hospital on the basis of the original plan as sanctioned in Government Order No.M.2798-800/Med.80-45-41 dated 12th September 1946, may be proceeded with".

Q3. I solicit the gracious approval of His Highness to the proposal.

SIR

Subject: Acquisition of S.No.19 Jakkasandra village,
Bangalore North Taluk for the development of Appaiah
Naidu Maternity Home at Malleswaram.

With reference to your D.O.letter No.M.8196/Med 106-46-3
dated 8-1-1948 on the above subject, I have the honour to state
that awards were passed by the Special Land Acquisition Officer
in respect of all the parties as noted in the enclosed statement
and possessions taken and amounts paid except the serial No:s.
7 & 8 belonging to M/S. Munirathnam and K.Rajagopal Naidu who
are protesting to hand over possession of their portions.

A detailed statement enclosed herewith will give the
other details of informations called for in this behalf.

I have the honour to be
Sir,
Your most obedient servant,

Darashah

WJ
Municipal Commissioner.

10 plan

To

The Superintending Engineer,
Mysore Circle, Mysore.

Sir,

RE:- CONSTRUCTION OF SRI KEMPUCHELUVAJAMMANIAVARU HOSPITAL
FOR WOMEN & CHILDREN, MALLESWARAM.

=====

I have the honour to enclose herewith a plan showing the proposed extension to the above Hospital for which an administrative approval for Rs 1,71,000/- was obtained. This plan has been counter-signed by the Chief Lady Medical Officer and has a plinth area of 20588 Sft. and the out patients block has a plinth area of 3900 Sft. The estimated cost of these buildings at Rs 7/- per Sft. of plinth area for purposes of administrative sanction, amounts to Rs 1,71,000/-. This was administratively sanctioned as per G.O.No.M.2798-800/Med. 80-45-41 dated 12-9-46. After receipt of administrative sanction a detailed plan was called for from the Government Architect and he has forwarded a detailed layout in consultation with the Chief Lady Medical Officer, wherein the plinth area has exceeded the original by 6672 Sft. over and above that which was contemplated in the administrative sanction. The prices of materials are going up day by day and as a consequence of which the original rate of Rs 7/- per Sft. assumed at the time of seeking administrative approval, is now working about Rs 10/- per Sft. resulting in excess of Rs 38,400/- over the original estimated cost. These two factors i.e., increase the plinth area of the building and the increase in cost of material prevailing at present, have been responsible for the increase in the detailed estimate value by nearly 100%. This matter was gone into during the time of the inspection of the site by the Minister for Public Health and the Chief Lady Medical Officer and she has agreed that the work may be taken up to the extent of the administrative sanction viz., Rs 1,71,000/- as she stated that the detailed drawing contemplated a

P.T.O.

complete scheme spread over 3 years.

Read:-

Letter No.11-812/38 Dated 16th September 1938 from the Municipal Commissioner, Bangalore City, recommending sanction to the acquisition of a portion (8,000 sq.yds) of S.No.19 in the Jakkasandra village, Bangalore Taluk required for constructing a building for a Maternity Home in Malleswaram and requesting that in view of the urgency of the case the acquisition may be ordered to be proceeded with under Section 17 of the Land Acquisition Act.

Order No.L.3090-5/M 101-38-4.

Dated, Bangalore, the 18th October 1938.

The acquisition of the property recommended above is sanctioned, the Municipal Commissioner, Bangalore City, being appointed to perform the functions of a Deputy Commissioner under the Land Acquisition Act and authorised to take order for the acquisition of the said property.

2. The recommendation to acquire the land under Section 17 of the Land Acquisition Act is also approved.
3. The declaration statement in English and Kannada - will be forwarded to the Compiler, Mysore Gazette, for publication.
4. The cost of acquisition may be met from the City Improvement grants made to the Bangalore City Municipality during the current year.

D.O.NO. 166
Cen 166 v

Dear Sir,

RE:- CONSTRUCTION OF SRI KEMPUCHELUVAJAMMANIVARU
HOSPITAL FOR WOMEN & CHILDREN, MALLESWARAM.
=====

With reference to P.W.D. Secretary's letter No.P.W.6828/B.3-4 dated 16-1-1948 addressed to the Chief Engineer for Roads and Buildings in Mysore, Bangalore, on the above subject, I write to state that the Minister for Public Health inspected the Appiah Naidu Maternity Home at Malleswaram on 17-2-1948 in connection with the proposed extension of Sri Kempucheluvajammanivaru Maternity Hospital for which the foundation stone was graciously laid by His Highness the Maharaja of Mysore and for which an estimate for Rs 5,55,000/- was submitted for sanction inclusive of acquisition charges of Rs 1,78,066-6-4. I was present during the visit of the Minister for Public Health.

In this connection, the Minister remarked that more land than what was ordered by the Government, has been acquired for the hospital and desired that I might look into the matter and submit a report. In this connection, I enclose herewith a copy of G.O.No. L.3090-5/ML.101-38-4 dated 18-10-1938, approving the acquisition of 8,000 square yards in Survey No.19 of Jakkasandra Village. The actual acquisition as per award statement prepared by the Special Land Acquisition Officer, Bangalore City Municipality, published in Mysore Gazette, Declaration No.11054 dated 16-4-1946 published on 30-5-1946 is 7,678- $\frac{2}{3}$ - square yards valued at Rs 1,78,066-6-4. The payment of the above amount has been sanctioned in G.O.No.M.12351-55 Med.176-46-2 dated 26-4-47 and the amount has been passed and paid. It may thus be kindly seen that the area acquired is well within the area actually sanctioned for acquisition by Government i.e., 8,000 square yards.

Mr.M. Chinnaswamy, B.A.,B.L., Advocate, who is actively interested in the collection of donations and sponsoring the

construction of the above hospital, who was also present during the Minister's visit, stated that a sum of Rs 1,15,000/- had been collected and credited to Government at the time of laying the foundation stone itself and he further stated that further amounts are likely to be collected. The Minister was pleased to state that the works to the extent of Rs 1,71,000/- may probably be got done even though the estimate submitted for sanction, was for the full scheme costing nearly 5.51 lakhs.

Under these circumstances, I request the favour of orders of Government may kindly be obtained and communicated, *regarding*

~~Regarding~~ (1) taking up the construction of the hospital to an extent of Rs 1,71,000/- in the first instance as agreed to by the Chief Lady Medical Officer who was also present at the time of the Minister's inspection.

(2) Approval of tenders for the work of Messrs. The United Engineering Corporation Ltd., whose tender was the lowest and recommended for acceptance in case they are willing to take it up at their tendered rates (since the six months' time fixed for the validity of the tender expired on 8-2-1948).

(3) Messrs. The United Engineering Corporation Ltd., have been addressed in the matter and their reply on receipt, will be submitted for favour of information.

With high regards,

Yours sincerely,

C.N. Shama Rao, Esq., B.A., M.E.,
Superintending Engineer,
Mysore Circle,
MYSORE.

With reference to your letter No.2401 dated 22-8-1947 and U.O. Note No.79 dated 3-9-1947 on the above subject, I am directed to state that the cost of putting up the building may be confined to the original estimate and further proceedings in acquisition may be stayed beyond what has already been acquired.

2. I am also to request you kindly to intimate the amount spent on land acquisition so far.

3. The tenders and other enclosures received with your above noted letter are herewith returned.
